PRICE LIST

WE OFFER herein a complete list of hardy ornamental nursery stock. Our nursery of one thousand acres affords material to meet practically every need in landscape development. Stock is well grown and supplied with a fibrous root system which is of vital importance in the success of a planting.

All material will be freshly dug. We maintain no storage cellars since the superiority of freshly dug stock is recognized generally.

With few exceptions the plant names used conform to "Standard Plant Names" as adopted by the Joint Committee on Horticultural Nomenclature.

HENRY KOHANKIE & SON

Route 20, One Mile East of Painesville

PAINESVILLE, OHIO

Please Read Carefully

CONDITIONS OF SALE

Prices do not include packing. A charge for the cost of the boxes and material used in baling will be made.

Stock specially selected by customers at the nursery will be charged according to its value.

We give no warranty, expressed or implied, as to quality, description, productiveness, or any other matter of any nursery stock that we sell.

Due to the perishable nature of nursery stock we cannot guarantee growth unless we charge a premium. Losses may occur from causes beyond our control. The purchaser may subject the plants to undue exposure before planting, fail to plant properly, or neglect after-care such as cultivation, irrigation, etc. On the other hand, if properly planted and cared for, the failures will be limited to an occasional plant which may be lost for no apparent reason and which loss is to be expected. The success or failure of a planting beyond the nominal loss above referred to, is in the hands of the planter. Our method of handling and packing stock is modern and goods will be in good condition and well packed when they leave our hands. Our responsibility ends upon delivery to the carriers. If goods suffer through delay in transit, claim should at once be made on the transportation company.

All claims for errors must be made within six days after receipt of goods, or positively will not be considered.

Unknown correspondents who wish to open an account will please give us references and allow us sufficient time to investigate same. Otherwise, cash must accompany order. If goods are desired C. O. D., the order must be accompanied by one third of the amount to guarantee acceptance.

Shipping facilities—We can make direct shipment over the N. Y. C. R. R.; B. & O. R. R.; N. Y. C. & St. L. R. R.; American Railway Express and Motor Freight. A siding to our packing house direct from the main line of the New York Central railroad enables us to handle stock with a minimum of exposure.

Auto Truck Delivery— We are in a position to make deliveries by auto truck to points within seventy-five miles of Painesville. Charges are made according to the size of truck required and the distance.

CONTENTS

Deciduous Shade Trees.....	203-204
Deciduous Small Trees.....	205-206
Deciduous Shrubs.....	206-210
Vines	210-211

THE production of many of the plants in this list represents no little effort. More than a few of the items are not profitable which accounts for their general scarcity, but on the other hand they are indispensable to good landscape work.

Since we specialize in the execution of complete planting lists we aim to keep our assortment unbroken. To that end we hope you will co-operate by ordering material in reasonable assortment. We cannot always accept orders which are confined to plants that are scarce and our stock of which is limited.

DECIDUOUS AND EVERGREEN TREES, SHRUBS AND VINES

We recommend that all items marked with an asterisk be lifted with a ball of earth and sewed in burlap. Experience has shown that the loss of these plants, which is otherwise high, is reduced to a minimum if handled in this way. This will involve extra charges, a schedule of which will be found on the last page. In all instances where "B&B" is indicated these charges are included in the printed price.

The figures printed in italics following the common name, indicate the approximate height of the plant at maturity.

We can also supply in limited quantity the following varieties of Japanese Flowering Cherries propagated from the collection at Highland Park, Rochester. They are available in the 4 to 5 ft., 5 to 6 ft., and 6 to 8 ft. grades at \$3.00, \$4.00 and \$5.00 each, respectively.

Amanogawa — semi-double pale pink

Gioiko — semi-double pale yellow

Hata-zakura — semi-double white

Horaisan — double pink

Hosokawanioi — semi-double flesh

Kuramayami — double pink

Kwanzan—syn. **Sekiyama** — double deep pink

Miyako — double pink

Shirofugen — double light pink

Shogetsu — double soft pink

Sumizome — double purplish pink

Our named varieties of Japanese Flowering Cherries are grown on the Japanese type stocks. While the common practice of grafting on the European Mazzard Cherry stock is a cheaper method of propagation, it results in short-lived trees, which difficulty is overcome by using Japanese stocks.

Pseudotsuga taxifolia. (douglasi). Douglas Fir. 70'

HERBACEOUS AND ALPINE MATERIAL

All kinds marked with an asterisk (*) are adapted for the rock garden.

We are prepared to deliver from pots such kinds as are difficult to transplant or whose dormant period in the spring is brief. An extra charge of three cents per plant will be made for those so grown.

*Acaena buchanani.	Bluish gray, Aug., 1"	\$.25	\$.20
* <i>sanguisorbae</i> .	Bright green foliage, 2"	.25	.20
*Achillea ageratifolia aizoon.	White, May,		
June, 8"25	.20

LARGE SPECIMEN MATERIAL

We have a large collection of specially grown, heavy specimen plants in a wide range of sizes. Prices will be quoted on application. We are prepared to deliver B&B on platforms where necessary.

PLANTS FOR SPECIAL PURPOSES

In the following pages we undertake to suggest plants for special purposes which often present a problem to the landscape architect in making up a planting list.

WOODY PLANTS FOR AUGUST AND SEPTEMBER FLOWERING

<i>Baccharis halimifolia</i>	<i>Hydrangea</i> in variety
<i>Buddleia</i> in variety	<i>Hypericum</i> in variety
<i>Campsis grandiflora</i>	<i>Lonicera heckrottii</i>
<i>Clematis paniculata</i>	<i>Spirea tomentosa</i>
<i>Elscholtzia stauntonii</i>	<i>Tamarix pentandra</i>
<i>Hamamelis virginiana</i>	<i>Vitex agnus castus</i>
<i>Hibiscus syriacus</i> in variety	<i>Vitex agnus castus latifolia</i>

Woody Plants with Fruits Attractive to Birds

Varieties marked with an asterisk furnish either fruit or seeds as food for birds in winter.

Aronia arbutifolia	Parthenocissus quinquefolia
Aronia prunifolia	P. tricuspidata veitchii
*Betula papyrifera	*Pinus in variety
*Betula populifolia	Photinia villosa
*Betula lenta	Prunus besseyi
*Betula lutea	Prunus padus
Cornus in variety	Prunus pennsylvanicum
*Crataegus in variety	Prunus serotina
Euonymus in variety	*Rhamnus in variety
*Hypericum prolificum	*Rhus capallina
*Juniperus virginiana	*Rhus glabra
*Juniperus communis	*Rhus typhina
*Ligustrum in variety	Ribes in variety
Lindera benzoin	Sambucus in variety
Lonicera in variety	*Symphoricarpuis in variety
Morus alba	Vaccinium corymbosum
*Myrica pensylvanica	Viburnum in variety
Nyssa sylvatica	Vitis in variety
	*Weigela hybrida in variety

Low Woody Plants for Rock Gardens

Chamaecyparis obtusa compacta	Hypericum henryi
Chamaecyparis obtusa nana	Jasminum nudiflorum
Cotoneaster adpressa	Juniperus horizontalis
Cotoneaster horizontalis	Juniperus horizontalis glauca
Cotoneaster horizontalis perpusilla	Juniperus suecica nana
Cotoneaster rotundifolia	Juniperus sabina tamariscifolia
Daphne cneorum	Lonicera spinosa alberti
Daphne mezereum	Lonicera syringantha
Euonymus fortunei minimus	Lonicera thibetica

Woody Plants Enduring Shade

For Dry Soil

Ailanthus altissima	Ligustrum vulgare
Celastrus scandens	Rhus aromatica
Gleditsia triacanthos	Ribes alpinum
Hamamelis virginiana	Rubus adoratus
Ligustrum amurense	Symporicarpus orbiculatus
Ligustrum obtusifolium	Vinca minor

For Moist Soil

The above plants will do well in moist soil and may be considered with the following plants:

Acer pennsylvanicum	Amelanchier in variety
Acer spicatum	Lindera benzoin
Alnus glutinosa	Carpinus in variety
Alnus incana	Cercis canadensis
Cornus florida	Ostrya virginica
Euonymus fortunei in variety	Pachysandra terminalis
Fagus grandiflora	Rhododendron in variety
Hedera helix	Tsuga canadensis
Kalmia latifolia	Viburnum acerifolium
	Zanthorrhiza simplicissima

Woody Plants for Bank Planting

Those kinds marked with an asterisk are excellent binders for a steep bank.

Ailanthus altissima	*Rhus typhina
Celastrus scandens	Robina pseudacacia
Cornus alba	*Rosa setigera
Cornus ammonum	*Rcsa wichuraiana
Cornus stolonifera	*Rubus odoratus
Euonymus fortunei	Salix caprea
*Lonicera halleana	Salix discolor
*Lonicera japonica	Salix elaeagnos
Lonicera tatarica	*Symphoricarpu orbiculatus
Physocarpus opulifolius	Vinca minor
	Vitis vulpina

Plants for the Herb Garden

Achillea millefolium	Melissa officinalis
Allium schoenoprasum	Mentha piperita
Anthemis nobilis	Mentha requieni
Artemisia abrotanum	Monardi didyma
Artemisia absinthium	Monardi fistulosa
Artemisia dracunculus	Nepeta hederacea
Artemisia pontica	Origanum vulgare
Artemisia stelleriana	Rosmarinus officinalis
Asarum canadense	Ruta graveolens
Asperula odorata	Salvia officinalis
Calamintha alpina	Santolina chamaecyparissus
Cedronella cana	Tanacetum vulgare
Chrysanthemum balsamita	Thymus serpyllum
Foeniculum atrosanguineum	Thymus serpyllum citriodorus
Hysopos officinalis	Thymus vulgaris
